IS / IT PROJECTS ([GitHub](#))

RottenPotatoes.org

September 2020 – May 2021

- Directed a team of 6 member as Project Manager and Front-end developer to create a fully functional website with a database and a user log in system that was hosted online through AWS.

Dota 2 Clone

March 2021 – April 2021

- Created a static clone of the Dota 2 home page from their official website.
- Experimented about carousel slides similar Netflix's slides. However, instead of having left and right arrows at the ends, CSS properties like transitions, transform, and animation to make the slides move automatically to left or right direction.

Netflix Clone

March 2021-April 2021

- Created a static clone of the Netflix landing page users see before logging in or signing up.
- Experimented to use CSS properties, such as justify-content, align-items, flex-wrap, display, and flex-direction for Grid.

Mexicanology

September 2020 – December 2020

- Developed a web application using a JavaScript framework/library and use a web hosting service to display the live demonstration of the web application.

Triad Music

February 2020 – May 2020

- Designed a relational database based on a case scenario for a business, company, organization, etc.
- Created the database conceptual and logical design (ERD/EERD, relational schema, referential integrity constraints, normalize tables) and use SQL scripts to create the database with necessary constraints in appropriate tables--insert appropriate data into the database tables as well.

EXPERIENCE

City of Los Angeles (Department of Recreation and Parks)

Los Angeles, CA

Recreation Assistant (20 hours/week)

June 2017 - Present

- Provide information to answer client inquiries, assist with registration of patrons, record keeping, inventory of supplies, assist in scheduling practices for coaches, prep uniforms for the coaches, compiling data and any other tasks that may be necessary to keep the park office running smoothly.
- Managed the process of planning, implementing, leading and supervising daily camp activities and working directly with the Recreation Coordinator and Senior Recreation Director.
